

# Year 6 Newsletter

Copthorne Primary  
School

June 2018

## What we will be learning about this term in Maths and English.

In English lessons the children will be continuing to study the features of a diary and apply these features to their own writing. We will be focusing on the free-fall jump made by Felix Baumgartner on October 14th 2012. The children will research the event and, for their final piece, take on the role of Felix and write a diary about what happened that day.

During Mathematics this term we will be carrying out various projects that will challenge your children and allow them to apply the knowledge they have learnt this year. In groups we will take part in a range of Maths investigations, using trial and error to help us solve them.

## PSHCE Week (Week beginning 9th July)

There will be a PSHCE week taking place from the 9th July, where children's learning will focus on healthy living, taking care of ourselves and our own well-being.

## Transition week:

This will take place week beginning 18th June. Your child should have already received a letter with all the details and relevant information. **Transition day is Wednesday 4th July.** This is an opportunity for your child to visit their new school and meet new teachers and experience some lessons. Your child's school should have already provided this information. If you have any questions about transition please speak to Mr A Khan.

Thank you for your continued support,

Mrs Shah and Mr Rizvi  
Year 6 Teachers

## Copthorne Curriculum

Our new topic is all about Italy and is entitled 'Mamma Mia'.

As geographers we will be comparing the human and physical geographical features of Italy, comparing them with Bradford. As artists we will analyse and imitate the work of Leonardo Da Vinci, using our sketching skills we will attempt to recreate his most famous painting the Mona Lisa. We will design and make pizzas for a specific person in our role as designers, considering their likes and dislikes.

## Lightwater Valley!

As a reward for the children's hard work all year and the effort they put into SATs week, school are taking all of Year 6 to Lightwater Valley on **Friday 20th July**. A letter will be sent home soon that will include more details about the trip.

## End of Year Performance

This will take place on **Monday 23rd July**, details will follow.

## SATs

Well done to all of Year 6 for putting in so much effort into their revision and in SATs week- all the teachers are so proud of you and we're sure the parents are too!

However, there is still one more push for our writing test so keep up the hard work Year 6!

Thank you to all the parents for your support this year!

## Shoes in School

Please remind your child to come to school in their black shoes and not their trainers! If they have a club or P.E lesson that requires them to wear trainers, children should bring them to school in a bag.
