

Copthorne curriculum Planning
Autumn 1- New Beginnings

Year 1 Copthorne Curriculum Theme 1 (Autumn 1)

As a **Geographer** I will look at my school, the people who work there, and the roles they play. I will develop my understanding of the local area, and observe the neighbourhood around me.

As **Artists** we will studying the work of a range of artist and practicing our colour mixing skills

As **Scientists** we will be investigating the seasonal changes, and how it affects our local area.

In **Computing** we will be developing our computer skills and learning to log on and off the computer.

Growing up in Great Horton

During **Indoor PE** we will be learning different kinds of rolls in gymnastics.

As **Musicians** we will be learning about rhythm in an old school hip hop song called "Hey you".

Future Possibilities	Independent Learning	Fresh Experiences
<p>Discussing different kinds of artwork that may be produced by an artist- not just paintings but different media that may be used.</p> <p>Looking at the jobs available in the local area.</p> <p>Understanding how the world around them works, and how England is differs from the rest of the world.</p>	<p>Children will be encouraged to ask questions and find information about the local area that they live in.</p> <p>Children will have open access to arts materials to develop their skills independently.</p> <p>Children will be encouraged to practice their gymnastic skills outside of classroom time.</p>	<p>Using maps to explore a route.</p> <p>Visiting Bracken Hall.</p> <p>Constructing their own musical beats.</p>
Social. Moral, Cultural, Spiritual and Emotional Development		
Main focus on getting along, working as a team throughout the first term, listening to each other's questions and solving problems together.
