

**Copthorne Primary School**  
**Primary PE Funding Statement 18-19**

From September 2018 the Government has provided each school with funding for the academic years 2018 to 2019 to improve the quality of physical education (PE) and sport in primary schools. For the academic year 2018/19 Copthorne Primary received **£19650** PE and sport premium funding.

PE is an integral part of Copthorne’s curriculum through which we believe that every child has a right to the very best possible learning experiences and that everyone can succeed. Our ethos is one of no excuses, high expectations and hard work resulting in the provision of learning experiences and opportunities which challenge, support and meet the academic, personal, social and spiritual needs of every child. At Copthorne we have always believed that we want our children to attain the highest standards in all that they do and become well rounded, healthy individuals. Therefore we support our children in every way possible to help them achieve this goal. We believe that PE and sport have a vital role to play in helping us to achieve our aims for our pupils. These important aspects of our curriculum teach our children to work together, learn good sportsmanship qualities, enjoy and value competitive activities and develop a clear understanding of the importance of PE in ensuring their long-term health and well-being in and outside of school. Consequently, we plan and deliver a curriculum that includes 2 hours of PE for each child within the school week: 1 indoor and 1 outdoor session.

We have also designed an extra-curricular timetable which places a strong emphasis on PE and sporting activities during school hours and after school hours. This includes football, cricket, multi-skills, badminton, table tennis and archery clubs.

Below is a breakdown of:
