Copthorne Primary School

September 2019

Welcome Back!

Dear Parents/Carers,

We hope you all had a pleasant summer holiday. The children have all settled well into Year One and we would like to take this opportunity to thank all the parents and carers who ensure their children arrive at school at **8:40**, ready to learn and wearing the correct school uniform.

Please can all parents ensure their children have the correct PE kit in school for PE. This will consist of: a white t-shirt, black jumper, black jogging bottoms and black pumps. Just as a reminder, for health and safety reasons, earrings should not be worn on P.E. days.

1 Ash P.E— **Tuesday**

1 Oak P.E— **Tuesday**

The children have made a fantastic start with their Raving Readers. Please ensure that they are returned daily, along with other homework books in their bookbags.

Homework

Maths/English

This will assigned every **Friday** through **Mathletics/Spellodrome/Phonics Bug**. This work will reflect the work children are doing in lessons. Please complete by **Tuesday** of the following week.

Bear words— Please **read and write a sentence** with the bear words at home and return to school each day. They will be checked weekly.

Spellings - Please **read and write** each day and return to school. They will be tested every Monday.

Raving Readers—Please read each night and sign the book. Children should complete a raving reader activity after each book that they read. Prizes are awarded across the year to support this. Reading books will be changed daily.

During **English**, we are learning about familiar settings and writing letters to develop our reading and writing skills. We will be focussing on reading common words fluently and using phonics to support the reading and writing of unfamiliar words.

In **Maths** we will be practising counting and learning to represent numbers in different ways. We will also be exploring addition using different strategies.

In **Science** we are learning about our bodies and seasonal changes as we move into Autumn.

In **Geography** we are exploring “Growing up in Great Horton”. This will include looking at our school and landmarks in Bradford on a map and learning about where we live. We will attend a trip to Horton Park and observe seasonal changes that are already taking place on the way.

In **History** we will be looking at the lives of ourselves and our families. We will also be finding out about Horton Park.

During our **Art** lessons, we will be exploring colours and studying the work of Mondrian.

In **Computing** we will be learning how to log on and off, and navigating the computer.

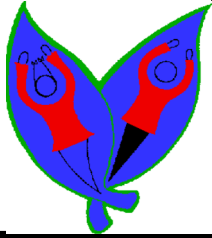

We will developing different skills through Games in during outdoor **PE**.

In **PSCHE** we will be exploring important issues in our society and new beginnings to help us settle in to the very busy, exciting year!

We look forward to a great year ahead and to working with your wonderful children.

If you have any questions, please feel free to speak to your child's class teacher.
