Aims

The aims of our first aid policy are to:

- Ensure the health and safety of all staff, pupils and visitors
- Ensure that staff and governors are aware of their responsibilities with regards to health and safety
- Provide a framework for responding to an incident and recording and reporting the outcomes

Legislation and guidance

This policy is based on the [Statutory Framework for the Early Years Foundation Stage](#), advice from the Department for Education on [first aid in schools](#) and [health and safety in schools](#), and the following legislation:

- [The Health and Safety \(First Aid\) Regulations 1981](#), which state that employers must provide adequate and appropriate equipment and facilities to enable first aid to be administered to employees, and qualified first aid personnel
- [The Management of Health and Safety at Work Regulations 1992](#), which require employers to make an assessment of the risks to the health and safety of their employees
- [The Management of Health and Safety at Work Regulations 1999](#), which require employers to carry out risk assessments, make arrangements to implement necessary measures, and arrange for appropriate information and training
- [The Reporting of Injuries, Diseases and Dangerous Occurrences Regulations \(RIDDOR\) 2013](#), which state that some accidents must be reported to the Health and Safety Executive (HSE), and set out the timeframe for this and how long records of such accidents must be kept
- [Social Security \(Claims and Payments\) Regulations 1979](#), which set out rules on the retention of accident records
- [The Education \(Independent School Standards\) Regulations 2014](#), which require that suitable space is provided to cater for the medical and therapy needs of pupils

This policy complies with our funding agreement and articles of association.

3. Filling in an accident report on the same day, or as soon as is reasonably practicable, after an incident
4. Keeping their contact details up to date

Our school's first aiders are listed in appendix 1. Their names will also be displayed prominently around the school.

The governing board has ultimate responsibility for health and safety matters in the school, but delegates operational matters and day-to-day tasks to the Head of School and staff members.

The Head of School

The Head of School is responsible for the implementation of this policy, including:

5. Ensuring that an appropriate number of trained first aiders are present in the school at all times
6. Ensuring that first aiders have an appropriate qualification, keep training up to date and remain competent to perform their role
7. Ensuring all staff are aware of first aid procedures
8. Ensuring appropriate risk assessments are completed and appropriate measures are put in place

Staff

School staff are responsible for:

First aid procedures

In-school procedures

In the event of an accident resulting in injury:

- The closest member of staff present will assess the seriousness of the injury and seek the assistance of a qualified first aider, if appropriate, who will provide the required first aid treatment
- The first aider, if called, will assess the injury and decide if further assistance is needed from a colleague or the emergency services. They will remain on scene until help arrives
- The first aider will also decide whether the injured person should be moved or placed in a recovery position
- If the first aider judges that a pupil is too unwell to remain in school, parents will be contacted and asked to collect their child. Upon their arrival, the first aider will recommend next steps to the parents
- If emergency services are called, parents will be contacted immediately
- An accident report form will be completed on the same day or as soon as is reasonably practical after an incident resulting in an injury.

Off-site procedures

When taking pupils off the school premises, staff will ensure they always have the following:

- A school mobile phone

Risk assessments will be completed by the trip leader prior to any educational visit that necessitates taking pupils off school premises.

There will always be at least one first aider with a current paediatric first aid certificate on school trips and visits, as required by the statutory framework for the Early Years Foundation Stage.
