

Copthorne curriculum Planning  
Summer 1 – Great Explorers.

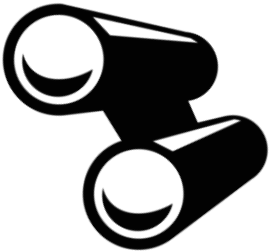

**Year 1 Copthorne Curriculum Theme 1 (Summer 1)**

**Areas of Learning**

As **Artists** we will studying the work of a range of artists and practising our collage and printing skills.

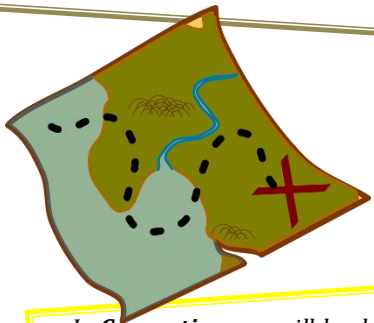

As **Scientists** we will be investigating the categories of animals and what makes us human.

As **Geographers** we will look at where in the world famous explorers travelled, and what it is like to live there.

**Great Explorers.**

As **Musicians** we will be learning about beats and pitch through various musical pieces.

In **Computing** we will be developing our computer skills and learning to log on and off the computer.

During **Indoor PE** we will be developing our skills with running, jumping, and throwing.

Possibilities	Independent Learning	Fresh Experiences
Discussing different kinds of artwork that may be produced by an artist and different media that may be used. Looking at the jobs available in the local area. Discovering what it is like in other countries. Understanding the difference between 2 locations.	Asking questions and finding information about the country they live in. Children are encouraged to create their own collages using chosen materials. Children encouraged to investigate the continents that famous explorers went to.	Using maps to explore a route. Using instruments to create our own musical pieces.
Social, Moral, Cultural, Spiritual and Emotional Development		
Main focus on getting along, working as a team throughout half term, listening to each other's questions and solving problems together.
