Milk Money April – July 2021 (Over 5's)

Dear Parents/Carers,

At Copthorne Primary School all our Reception children are automatically given a daily drink of milk free until they reach 5 years of age. As your child is now 5 years old or turning 5 next term, milk is no longer free, therefore, if you wish your child to continue to receive milk there will be a charge of **£15.50**. This will allow your child to have a carton of milk daily from **Monday 19th April to Friday 16th July 2021**.

As the milk has to be ordered in advance, we need to know how many children will require milk. If you would like your child to have milk, please pay **£15.50 by Monday 12th April**. This can be only paid through your Parent Pay account, cash will not be accepted.

Orders will also not be accepted after this date.

Please note if your child is entitled to Free School Meals from Bradford Council, they will be eligible to a free carton of milk every day.

If you have any queries or if you need help with Parent Pay and you have not set up an account, please contact the school office.

Yours faithfully

Miss S Ngenda
Head of School
