

Travelling to School Safely

If you live a short distance away, walk to and from school, wherever it is possible and safe to do so.

Avoid sharing a car with anyone outside of your household or support bubble.

If you are using public transport to get to school, plan ahead and allow more time for your journey.

When you are travelling by public or transport don't forget to:

- Wear a face covering (unless you are exempt, including if you are aged 11 and under)
- Social distance where possible
- Wash or sanitise your hands regularly
- Be considerate to fellow passengers and staff.
