

**News from Bradford Council:**

**Food vouchers being sent to low-income families**

**Bradford Council is giving low-income families with school-age children supermarket vouchers to help with the cost of food over the school summer holiday.**

The vouchers are being given to families with school-age children and in receipt of Council Tax Reduction. Vouchers are for £75 per school-age child. If a family is eligible, they will receive a letter from Bradford Council with details of how to redeem the voucher.

Letters have been posted to families and should be received by July 26.

If families haven't received a voucher by July 26, but think they should be eligible, they can contact us on [FoodVouchers@bradford.gov.uk](mailto:FoodVouchers@bradford.gov.uk) with their full name and address.

Please **wait until July 26** to contact Bradford Council. Queries cannot be dealt with before that date.
